

## REMARKS

Claims 1-3, 5, 7-9, 16-21, 23-26, 28-33, and 35-37 were examined, and claims 1-3, 5, and 30-33 were rejected. In the interest of expediting the prosecution, Applicant cancels claims 1-3, 5, and 30-33. Applicant reserves the right to pursue the canceled claims in separate application.

The Examiner identified claims 7-9, 16-21, 23-26, 28, 29, and 35-37 as being allowed. See *Office Action*, 8. The Applicant thanks the Examiner for having identified this allowable subject matter pending in the present application. Claims 8, 9, 36, and 37 depended on claims that are now canceled. Applicant amends claims 8, 9, 36, and 37 to depend from currently pending claims.

## CONCLUSIONS

As only allowable subject matter remains pending in the present application, the Applicant respectfully contends the present application to be in condition for allowance and requests a Notice of Allowance from the Examiner. The Examiner is invited to contact the Applicant's undersigned representative with any questions concerning this matter.

Respectfully submitted,

Marc VanHeyningen
